WILCOX-YOUNG.

The prettiest home wedding of the season was solemnized at the home of Mr. and Mrs. Fred H. Wilcox, in Greenwood, Wednesday, Oct. 25th, at three o'clock, when their eldest daughter, Jennie A., was united in marriage to Elmer E. Young, of Grand Rapids. To the strains of the wedding march, played by Miss Florence Young, sister of the groom, the bride and groom took their places in the parlor under a beautiful arch of evergreen and white lilies. The ceremony was performed by Rev. J. W. Ayling, with the impressive ring service. The bride was beautifully gowned in blue satin, trimmed in Irish lace and silver jets. She wore a handsome bridal veil caught up with flowers, and carried a bouquet of white carnations. Myrtle Wilcox, sister of the bride, was maid of honor, and was attired in a rich cream dress, and carried pink carnations. Ralph Young, cousin of the groom, was best man. Little Mabel Nichols and Ellen Wilcox were flower girls and Edith Palmateer acted as ring bearer. The house was prettily decorated in green and white. After the ceremony about eighty invited guests partook of a bountiful wedding supper. The bride was the recipient of many valuable gifts in cut glass, china, silver, linen and furniture, showing the esteem in which she is held by her many friends. ## Free If It Fails

Your Money Back if You are not Satisfied with the Medicine We Recommend

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate, and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets 50 cents. Sold in Yale only at our store.—The Rexall store, Grant Holden.

OF A STOVE IS THE FIREPOT

THE "ART GARLAND" FIREPOT "DOES THE BUSINESS."

IT'S THE easiest thing in the world to make a firepot WRONG—so easy that you'll find most all of them wrong—wrong construction—wrong principle.

For 70 years there has been no improvement on the actual "BUSINESS END" of a stove until this two-piece revolving firepot was placed in

"GARLANDS"

## LOOK AT IT!

NOTICE IT'S MADE IN TWO PIECES---

That's to allow the air to pass into the fire instead of all coming in at the bottom.

HOT FIRE WHERE YOU WANT IT---

At the outside edge instead of the middle, where you get little radiation from it.

THE LOWER PIECE REVOLVES---

Just put the crank on, give it a turn, and the firepot is as clean as a whistle.

NO POKING—NO FUSSING—NO MUSS—NO DUST—WILL SAVE YOU A TON OF COAL EVERY YEAR YOU USE IT.
